1. **All birds must be registered with the CU 14 days before the racing season commences as per Racing Rule #1.**
2. Each award entry must be accompanied with a copy of the race results used.
3. Races at all organizational levels of competition, including club, combine & opens are eligible for the Universal Performance Rating Award.
4. The race with the best (lowest) rating for the weekend is used, club, combine or open.
5. For the UPR loft awards, the same categories apply, scores will be based on the average UPR rating of the first two (2) birds clocked for each loft.
6. Only birds in the top 20% of the total number of birds shipped to a race earn a rating.
7. **Races using clocking limits are not eligible for CRPU National Ace Awards.**
8. **Races having fewer than 3 lofts participating must use the race result of the next highest level of competition that is Combine etc.**

Formula used: Race position divided by the number of birds in the race multiplied by 100 taken to 3 decimal places.  
The lowest percentiles is the best, a 2% rating is better than 5%.
